

NEWS FROM

DOUBTLESS BAY PROMOTION INC

Thank you: First - thank you to all our members for your continued support! Our membership renewal process is underway, and we look forward to 2023.

Our Volunteers: A big shout out to our team of volunteers who bring such a positive energy to our Information Centre. We know volunteers don't ask for rewards, so we hope our sincerest appreciation can be a reward for all their valuable contribution.

Any members with a spare 5 minutes are encouraged to pop into the Information Centre - introduce yourselves, say hello, and give a big hi-five to our lovely team.

Looking Forward to 2023: Saying we have all had a tough time over the last two and a half years is putting it mildly. Hopefully 2023 brings us all good fortune and happiness.

We would love to hear from anyone who decided not to renew their membership during the last couple of years. We invite you to talk to us, share your thoughts, and tell us what is important to you.

End of Year Gathering: We've organized our end of year gathering 'Beside the Beach'. Please join us for a relaxing celebration on 8 December. If you have a friend who may be interested in becoming a member or rejoining bring them along.
